

## **Water Rate Advisory Committee**

The Water Rate Advisory Committee is appointed by the Mayor in January and consists of three councilors, two citizens, and one member at large (who may reside outside of Creswell). Their task is to work with the City Administrator to review and recommend a water rate for the following fiscal year. The work will be completed in a timely fashion so as to be included in the preparation of the budget for the following fiscal year – no later than mid-March.

This committee will recommend the rate, the City Council will hold a public hearing to receive comments regarding the proposed rate, and the rate will be included in the proposed budget for review by the Budget Committee and adoption by the City Council.

To apply for a position on this committee, please submit a completed application (found on the reverse side) prior to 3:00 pm on Friday, December 18, 2015. The Mayor will make the appointments at the January 11, 2016 meeting.
