

Parks Advisory Board
June 18, 2009
Community Center – 6:00 PM

Agenda

Welcome and sign in
Review of Parks Advisory Board's role
Selection of Officers; Chair and Recorder

Old Business

Garden Lake Park Dedication. What can we do to help?

New Business

Asset Map. This tool will be very helpful when we discuss and recommend to the city uses for the Cobalt Building. We would not want to miss an opportunity to provide a recreational asset Creswell needs and we would not want to duplicate existing facilities. The city also wants us to be researching potential park sites to meet our Parks and Open Spaces Master Plan. An asset map would help us identify logical partners to meet that objective.

Set next meeting date and time.

If there will be children with us, let me know I have a cool puzzle I can bring.
