Mayor Bob Hooker called the meeting of the Joint Creswell City Council and the City of Creswell Public Contract Review Board to order and read the title of Resolution 2012-06 and asked if there were any questions.

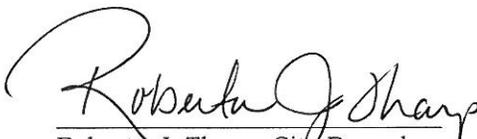

Resolution 2012-06, A Joint Resolution for the City Council and Local Public Contract Review Board for the City of Creswell Amending Resolution No. 2005-04, As Previously Amended By Resolutions 2006-12 and 2011-04, To Conform to 2011 Legislative Amendments to the Oregon Public Contracting Code.

Jane Vincent asked if the changes would affect the way bids are received and the way choices are made with regard to local businesses.

Ken Jones said what the legislature has done with regard to law changes in terms of local preference relate to Architectural and Engineers services as outlined in OAR 137. Cities were allowed to hire them on a cost basis per award. With the new changes, we will now have to evaluate all of the bidders on a point system, negotiate with the highest scoring and those services may be reviewed based on price.

Jean McKittrick moved Jack Gradle seconded to approve Resolution No. 2012-06, A Joint Resolution of the City Council and Local Public Contract Review Board for the City of Creswell Amending Resolution No. 2005-04, As Previously Amended By Resolutions 2006-12 and 2011-04 To Conform to 2011 Legislative Amendments To The Oregon Public Contracting Code. Voted on and carried unanimously.

There being no further business to come before the Local Public Contracting Board, Mayor Bob Hooker adjourned the meeting at 7:05 p.m.
