- Michelle wants a vision. What community wants from it? Best use?
- GLP Action Plan Time Line (insert)
- UofO Planning program will be coming to GLP to give ideas to Maia. Best approach? What they typically do in parks planning process (Thurs 11:30a)
- Maia wants to do outreach to ask people what they use the park for or what they would use the park for... what community wants.
- Develop short term and long term issue resolution.
- Result will be an Action Plan that could be used by anyone.
- ODFW is not stocking the lake and hasn't done it last week.
- Maia will invite us to her meetings where ideas and issues are discussed.

Next Steps PAB Priority report.

- Council wants us to pare down the list.
- Work session ran late so the committees didn't have as much time as needed
- Jane wants to settle the property for Skate Park at the next work session so we can put up the sign.
- The school is OK with the skate park location.
- Park at the airport wouldn't be combined with the memorial space that's already there because of placement.

- **The airport is open to the idea of a food cart and small park.**
- **Jessica passed out Memorandum of Understanding For the Willamette Water Trail Partnership (for review)**
- **Also passed out idea for Whitewater parks on a river (for review)**
